### GLADE SPRINGS VILLAGE POA BOAT REGISTRATION

**BOAT OWNERS:**

The rules and regulations, that are provided for you, are for your safety and for the protection of Lake Chatham.

Property owners and their guests will indemnify and hold harmless the Glade Springs Village Property Owners Association, and its affiliates, from any and all claims, actions, and judgments, including all costs of defense and attorney's fees incurred in defending against same, arising from and related to use of Lake Chatham.

I, the undersigned, have read the Glade Springs Village Rules and Safety regulations regarding Lake Chatham and, by my signature, do affirm my understanding of those rules, and the need for them, and, herewith, agree to abide by the stipulations as set forth.

## **GSVPOA Chatham Lake: Usage and Safety Regulations**

### **Lake Use**

- Chatham Lake is for the exclusive use of Glade Springs residents, property owners, and their guests. (Guests must be accompanied by a resident or property owner.)
- Residents and property owners are responsible for their guests' actions.
- Use it at your own risk.

### **Boating**

- All state and federal boating regulations apply to Chatham Lake in addition to the VPOA regulations.
- All residents, property owners, or guests must have a lake use permit for their motorized boats and trailers. These permits may be obtained at the GSVPOA management office by filling out a registration form and paying a fee. Two permit stickers must be displayed on the boat (on both sides of the boat). Trailers must also display a permit sticker in a location that is easily visible to guards at the front gate (driver's side on the front of the trailer).
- Non-motorized watercraft do not need a lake use permit.
- No boat exceeding 28 ft. in length shall be permitted on the lake unless approved by the VPOA.
- The following watercraft will not be permitted on the lake: houseboats (having living quarters), boats with toilet facilities, and "unconventional craft" such as jet skis, water bikes, wave runners, drag boats, hydroplanes, power racing boats, or jet-propelled watercraft.
- Persons under the age of 12 may not operate a motor boat unless accompanied by someone 18 years of age or older.
- The entire lake is a "no wake zone," and speeds shall not exceed 5 miles per hour.
- No excessive noise, regardless of source, is permitted; no disruptive behavior is allowed on the lake or dock area.

### **Swimming**

- No lifeguards are present; swim at your own risk.
- Swimmers and people on the boat dock need to be aware of the hazards oncoming boats pose to them and stay clear of boats approaching them.
- It is recommended that long-distance swimmers wear a life jacket or tether some type of floatation device to themselves when swimming.

### **Fishing**

- Fishing at Chatham Lake is catch-and-release.
- Stocking fish in the lake without GSVPOA permission is prohibited. Dumping live bait fish into the lake is also prohibited.
- No trotline, limb line, yo-yo, jug fishing, spearfishing, or use of commercial nets is permitted.
- No fishing on Stonehaven and Woodhaven Golf Course ponds

### **After Dark at Chatham Lake Boat Dock and Parking Area**

- No loitering after dark.
